Subscription to the Research Journal
The official publication of HERA is the journal, *Housing and Society*. Two issues of the journal are published annually.

Annual Conference
HERA's annual conference is scheduled in a different geographic region of the United States or international site each year. Topics of current housing issues are presented by members as well as state, national and international housing leaders. Sessions, posters and group discussions are held on the education, research and extension implications of current housing trends and research. Conference proceedings include referred abstracts of papers presented.

Educational Resources
HERA has available on-line and for purchase educational resources developed by members and committees. These include teaching tips and classroom /program ideas.

Tessie Agan Scholarship
An annual paper competition is held for graduate and undergraduate students. First place winners have the opportunity to present their papers at the annual conference or receive a cash award. The scholarship fund is maintained with tax-deductible contributions from the membership.

The Membership Year is January 1st to December 31st.
