HERA Membership Includes:

- Subscription to the research journal ***Housing & Society***
- **Annual Conference:** HERA's annual conference is scheduled in a different geographic region of the U.S. or international site each year. Topics of current housing issues are presented by members as well as state, national and international housing leaders. Sessions, posters, and group discussions are held on the education, research and extension implications of current housing trends and research. Conference proceedings include referred abstracts of papers presented.
- **Educational Resources:** HERA has available on-line and for purchase educational resources developed by members and committees. These include teaching tips and classroom/program ideas.
- **Awards:** Tessie Agan Scholarship, Kenneth Tremblay Early Career Housing Award, Housing Impact Award, Distinguished Service Award, International Ambassador Fellowship Award, Secondary Education Housing Teaching Award, and the Extension Housing Outreach Award.

Library Journal Subscriptions

Libraries may subscribe to the journal, *Housing & Society*, the official publication of HERA. To subscribe, go to: housingeducators.org/publications and click on "Access Journal Articles" button. (Online access only = \$375 or print AND online access = \$441.)

At HERA our mission is to increase the effectiveness of housing education at all levels, develop expertise in and expand the out-reach of educators and researchers by coordinating efforts among professionals in housing, disseminate information on current developments in housing and promote recruitment of students to advance the study of housing and to increase the quality and quantity of professionals in the field.
