

Join us in Minneapolis for the 2021 HERA annual conference held at The Graduate Hotel from October 31, 2021 to November 3, 2021

CONFERENCE THEME AND ABSTRACT SUBMISSION

Our theme this year is *Cities on the Move: Transportation, Design, and Housing Opportunities*. What is the relationship of housing to expanded and/or improved transportation options? The Twin Cities of Minneapolis and Saint Paul continue to extend light rail lines that have spurred new housing from that for formerly homeless youth to market rate apartments to accessory dwellings on single-family lots. We will learn about these housing alternatives and the populations they serve.

While we are looking for papers on the conference theme, we accept other paper topics as well. If you have any questions, please contact Becky Yust, byust@umn.edu

Submit your 500-page abstract for blind review by April 1, 2021 through the link on this page or on the website (fill out the form and upload your abstract at the end of the form).

HOTEL AND TRANSIT

The Graduate Hotel is adjacent to the University of Minnesota campus and can be reached by light rail. From the Minneapolis-Saint Paul International Airport, you can take the Blue Line light rail to downtown Minneapolis and transfer to the Green Line near the Vikings U.S. Bank Stadium. The hotel stop (East Bank) will be two stops from where you transfer.

Room rates and reservations for The Graduate Hotel are available at
