

2021 Annual HERA Conference

October 31 – November 3, 2021 | Minneapolis, MN USA

Cities on the Move: Transportation, Design, and Housing Opportunities

What is the relationship of housing to expanded or improved transportation options? The Twin Cities of Minneapolis and Saint Paul continue to extend light rail lines that have spurred new housing from that for formerly homeless youth to market rate apartments to accessory dwelling units on single-family lots. We will learn about these housing alternatives and the populations they serve.

The conference will be held at the Graduate Hotel Minneapolis, located on the University of Minnesota “east bank” campus with light rail transportation to the airport, downtown Minneapolis, and downtown St. Paul.

For those attending online: Zoom links will be sent to you before the conference begins.
